# Step 1: Gather your information

Applying for a StudioPay account is simple, but you'll want to make sure you have some key company information and documentation on hand. This will allow our risk team to approve your application quickly.

## Information Checklist and Application Documents

| COMPANY'S INFORMATION    |  |
|--------------------------|--|
| <input type="checkbox"/> | Company's EIN<br>.....                         |
| <input type="checkbox"/> | Business Establishment Date<br>.....           |
| <input type="checkbox"/> | Annual Processing Volume<br>.....              |
| <input type="checkbox"/> | Average Transaction Amount<br>.....            |
| <input type="checkbox"/> | A Bank Account to Connect<br>.....             |
| <input type="checkbox"/> | Voided Check (for manual bank entry )<br>..... |

| OWNER'S INFORMATION<br><small>Individuals who own 25% or more of the business</small> |                                 |
|---|---------------------------------|
| <input type="checkbox"/>  | Full Legal Name<br>.....        |
| <input type="checkbox"/>  | Date of Birth<br>.....          |
| <input type="checkbox"/>  | Social Security Number<br>..... |
| <input type="checkbox"/>  | Address<br>.....                |
| <input type="checkbox"/>  | Ownership %<br>.....            |
| <input type="checkbox"/>  | Business Title<br>.....         |

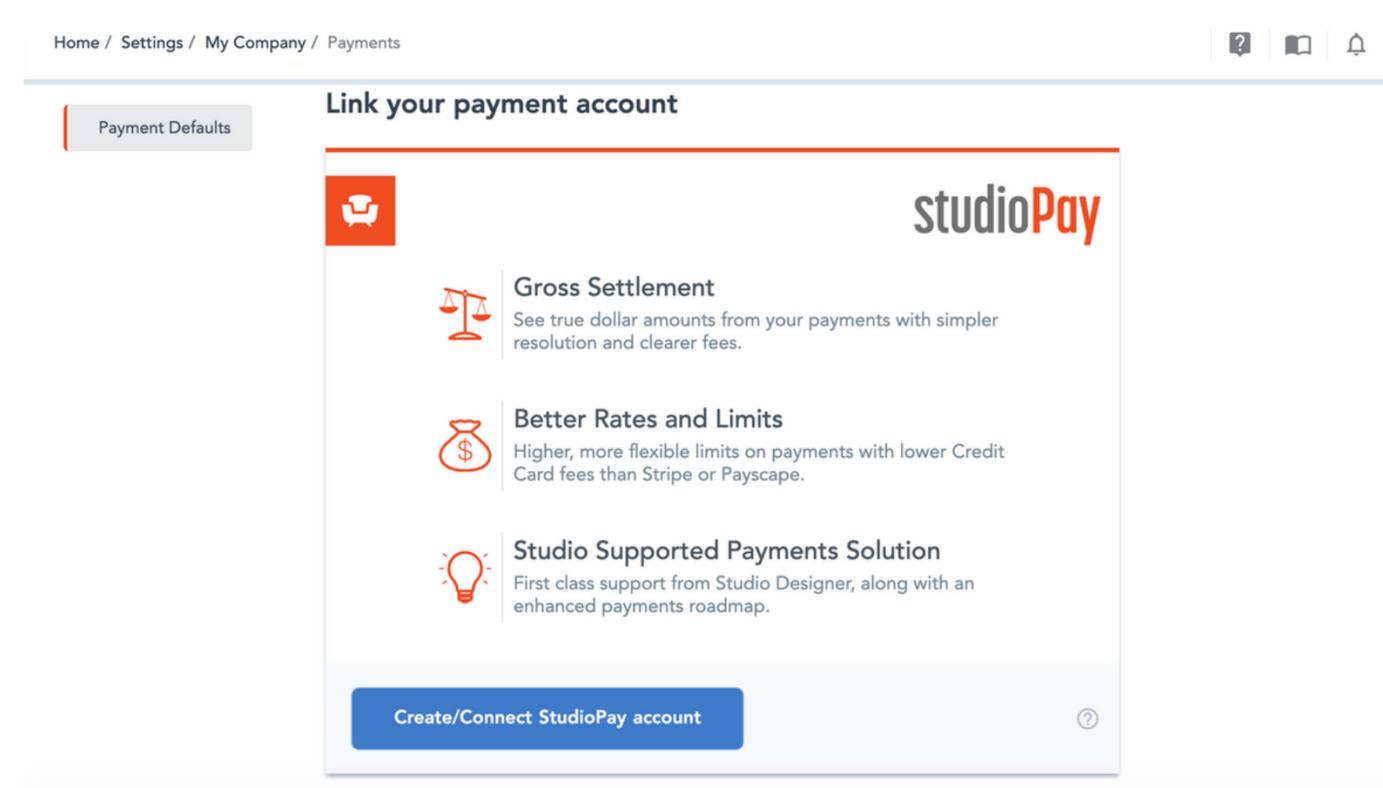

**If you expect transactions exceeding \$10,000 or an forecast your annual processing volume to exceed \$600,000:**

>> Provide 3 months of processing statements or bank statements

## Step 2: Create your account

Now that you've gathered your company information and documents, it's time to set up StudioPay.

### Set up StudioPay

To apply and set up StudioPay:

1. Go to [Settings](#) > [My Company](#) > [Payment Defaults](#)
2. Under [Link Your Payment Account](#), click [Create/Connect StudioPay Account](#) to access the application

### Next:

Follow the prompts to fill out some basic information about your business.

## Step 3: Enter Business and Owner details

Now that you have gathered all of the necessary information and documents, it's time to set up your account.

### Fill out your Merchant Application

Follow the prompts to fill out some basic information about your business.

1799 - Contractors - Special Trade, Not Elsewhere Classified is the recommended MCC Code most commonly used for the Industry drop-down.

### BUSINESS

1. Select the **Country** and **Business Type** to expand the form.
2. Fill out the **Business Overview, Details, Address,** and **Account Login** sections.

**Tip:** In the Account Login section, your Studio Designer credentials will not be accepted. For added security and privacy around your sensitive financial details, StudioPay has its own login. Treat StudioPay like you would treat a banking application.

### OWNERS

Enter the information for **Owner Information** and **Owner Address** sections.  
Note: Physical Address (P.O. Boxes not accepted)

**Tip:** You'll want to add information for anyone who owns 25% or more of the business.

# Step 4: Add Bank information

## BANK

1. Add your bank information by selecting one of the below options:

- >> Link Existing Bank Account (via Plaid)
- >> Enter Bank Info Manually

**Tip:** Bank accounts can be connected by securely logging in to your online banking application through Plaid or manually entering information. For faster processing, we recommend authenticating with Plaid (this will be the only instance Plaid will be used in StudioPay).

Entering the account manually will require uploading a voided check. Otherwise, you can skip this step.

2. If you expect individual transactions in excess of \$10,000 or your annual processing volume exceeds \$600,000:

In the **Document Upload** section, upload 3 months of processing statements or bank statements

A screenshot of the 'Document Upload' section in StudioPay. It includes a title 'Document Upload', a note 'Each document may not exceed 8 MB. Accepted document types: .jpg, .jpeg, .png, .pdf, .tif, .tiff', a 'Voided Check' section with a file upload area (highlighted with an orange box) containing the text 'Drag and drop a file or Upload File', a '+ Add Note' link, and an 'Add Document' button.

For lesser transactions and volume – skip the Document Upload section

# Step 5: Complete the Registration

## TERMS & CONDITIONS

1. Read, agree, and consent to the [Bank Disclosure Page](#) and [Merchant Terms and Conditions](#).
2. Select the applicable check boxes.
3. Click [Sign Up](#).

An email confirmation from [studiopay@studiodesigner.com](mailto:studiopay@studiodesigner.com) is on the way, don't forget to confirm your user account!

For more detailed sign-up instructions read: [StudioPay Account Setup](#)

Please Review, and Print, or Save the documents provided in links below.

By clicking **I agree** , I hereby confirm:

- Have Read, Agreed and Consented to the [Bank Disclosure Page \(CLICK HERE\)](#) provided. <<
- Have Read, Agree and Consented to the [Merchant Terms and Conditions \(CLICK HERE\)](#) provided. <<

I Agree to the above information

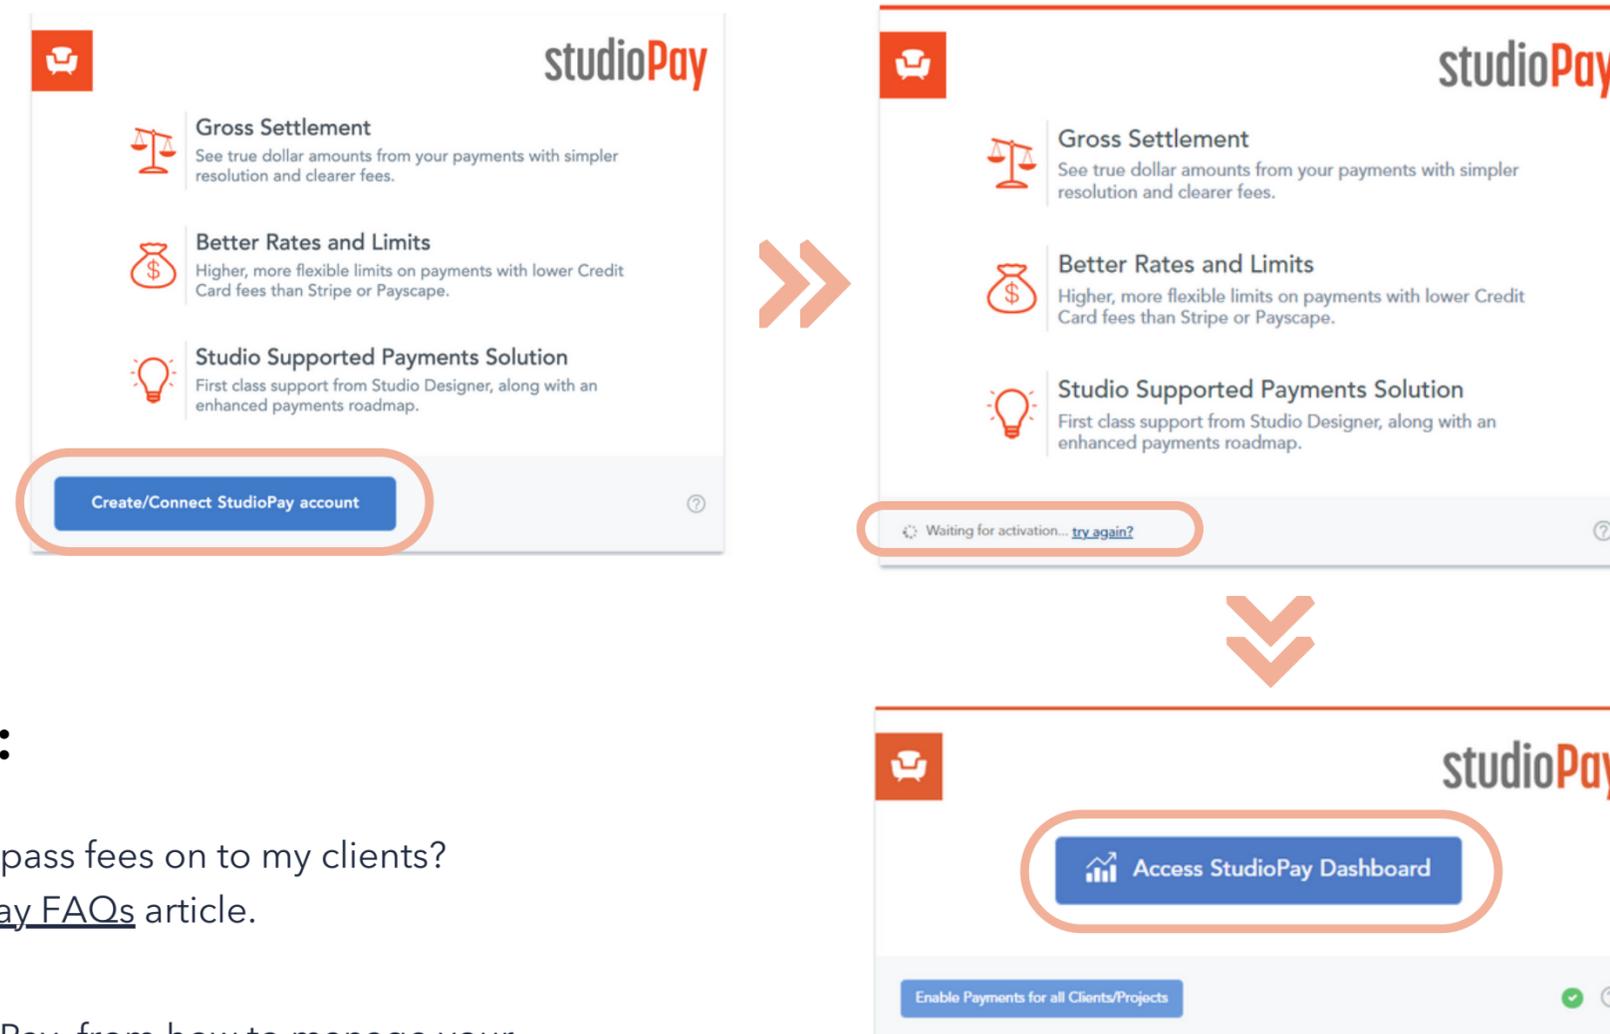

I attest that the information provided in this application is correct to the best of my knowledge as an [authorized signer](#) for this business

**Tip:** You must click and open each link before you can submit the application!

# You're all set!

While your application is under review, you'll notice the "Waiting for activation" status on Studio Designer's Payment Defaults page. Once our risk team approves your account, the status will be replaced with a link to access your StudioPay Dashboard.

## In the meantime, check out our resources:

- >> How long does the verification and approval process take? How can I pass fees on to my clients? You can get the answers to frequently asked questions in our [StudioPay FAQs](#) article.
- >> Review the [StudioPay Toolkit](#) to understand the ins and outs of StudioPay, from how to manage your transactions to reconciling a disbursement.
- >> Begin to explore Dashboard features, including Flagged Transactions, Sales & Refunds calendar, and more with our [StudioPay Dashboard Guide](#).
